**Welcome to ECC Learn for Foster Carers and Partners**

Learn is the central platform to help you with all your learning and development needs, bringing together all of your training accessed through ESCA

Learning and development takes many forms, sometimes it will be an instructor led course, e-learning course, books, articles, research, distance learning and DVD's. Under 'My Development History' you will be able to record such training and or/upload relevant documentation, that has not been accessed through Learn.

You need to scroll down to the bottom of the page and you will see the following page. Click on browse e-learning button.

## E-learning for Foster Carers and Partners

There are a selection of **FREE early help e-learning courses** - including Safeguarding Level 1.

For the majority of Children & Families e-learning courses it will be necessary for us to issue a licence through the providers website. You will need to select the relevant course and follow the instructions for requesting a licence.

**PLEASE NOTE** - Multi-agency partners can purchase a licence for the courses listed under this section with the exception of the Paediatric First Aid course. Please select the relevant course and follow the instructions provided, we will then contact you to arrange for the payment to be made prior to issuing the licence

Most other e-learning, including corporate governance courses are also accessed through this section.
