East of England Local Safeguarding Adult Boards

Learning from Local Boards

2021-22 FREE Webinars

The eight SABs are running a series of Webinars in 2021/22 to share learning on a range of themes emerging from SARS undertaken and lessons learned during COVID-19. The themes have been identified as ones which will have relevance and interest within the East of England.

Who should attend?

The webinars are aimed at Board / sub group members, adult safeguarding leads and anyone with an interest in adult safeguarding.

Learning objectives

- To provide a short briefing on a theme
- To explore the topic in relation to emerging issues from the pandemic response
- Participants to discuss and identify relevant lessons for their organisation / Board
- Enable multi agency learning
